Selectmen's Report

Black Brook Road from Lower Bay Road to the Meredith Line has been black topped and Collison Road from Upper Bay to Lower Bay Roads was completed in 1967 with the use of T.R.A. funds.

State funds for 1968 will be used to black top Hale Road from 127 to Route 93, and it is the School Transportation Committee's suggestion that Brook Road, from Weeks Road to Prescott Road be rebuilt—widened and black topped. This piece of road would reduce the bus mileage and time in this area.

The State Tax Commission Appraisers are now working in town, revaluating all properties at 100%. We will appreciate your cooperation when the assessors call. Please send in your inventories in April with property description to the best of your knowledge.

The Selectmen again bring to the attention of all students who wish to apply for a scholarship that applications may be acquired from the school principal and must be filed at his office on or before May 1, 1968. There are four Taylor scholarships available.

In the year 1963 there were in Sanbornton 668 taxpayers—individuals who paid taxes on land alone or land and buildings. In the year 1967 that number increased to 867 and the indications are that in 1968 it will be 900.

This is an increase of about 35%, which means that the work of billing, handling, etc. has increased in the same proportion. The Selectmen have inserted an article in the warrant to change from one to three years the term of certain town officers with the thought in mind that the Town Clerk, Tax Collector should also be Town Secretary. By doing this the Town Offices would be opened more hours and the town office would operate much more efficiently.

Mr. William Powers continues as custodian of the Town Hall and Mr. Donald Sanville in charge of the Town Dump. The dump is still open Saturdays throughout the year and Wednesdays during the summer season.

In December 1967 John Barnes resigned as a member of the board of Selectmen. We all owe John a vote of thanks for all the work he willingly did during the past four years. It was with regret that we accepted his resignation and the best of luck to you, John, in the years ahead.

The Selectmen appreciate the cooperation given us by all the town officers and the townspeople for all assistance rendered throughout the year 1967.

SUMMARY OF FINDINGS AND RECOMMENDATIONS

January 22, 1968

Board of Selectmen

Sanbornton, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Sanbornton for the fiscal year ended December 31, 1967, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Library and Fire Department.

FINANCIAL STATEMENTS

Comparative Balance Sheets: December 31, 1966-December 31, 1967: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1966 and December 31, 1967, are presented in Exhibit A-1. As indicated therein, the Net Debt decreased by \$5,490.58 in 1967.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1967, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$702.80, less an overdraft of appropriations of \$129.34, resulted in a net budget surplus of \$573.46.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1967, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1967, is indicated in Exhibit B-2.

Statement of Long Term Indebtedness: (Exhibit H)

A statement of outstanding long term indebtedness as of December 31, 1967, showing annual debt service requirements, is contained in Exhibit H.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipts and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS**Current Surplus:**

The current surplus (excess of total assets over current liabilities) decreased by \$869.42, from \$20,228.63 to \$19,359.21, as shown herewith:

Total Assets	\$122,653.73	\$89,429.16
Current Liabilities	102,425.10	70,069.95
Current Surplus	\$20,228.63	\$19,359.21

Overdraft of Overlay Account:

As indicated by the Budget Summary (Exhibit A-4), there was a net overdraft of appropriations in the amount of \$129.34, as indicated herewith:

Overdrafts of Appropriations	\$3,994.23
Unexpended Balances of Appropriations	3,864.89
Net Overdraft of Appropriations	\$ 129.34

However, it may be explained that included in the total appropriation overdrafts was an overdraft of \$1,146.85 in the "Overlay" Accounts. The amount which is raised for "Over-

TOWN OF SANBORNTON

19

lay" is determined by the Selectmen rather than voted by the Town Meeting, so that it is not actually an appropriation account. Abatements, discounts and refunds are charged to this account. Therefore, it is noted that with the elimination of this item of \$1,146.85 from the total overdrafts, there was actually a net unexpended balance of budgetary appropriations as shown herewith:

Unexpended Balances of Appropriations	\$3,864.89
Total Appropriation Overdrafts	\$3,994.23
Less: Overdraft in "Overlay" Account	<u>1,146.85</u>
	2,847.38
Net Unexpended Bal. of Budgetary Appro.	<u>\$1,017.51</u>

Unredeemed Taxes:

It is noted that there were unredeemed taxes on account of the tax sales for the Levies of 1964 and prior years as follows:

Levy of 1964	\$1,004.48
Levy of 1963	1,167.87
Levy of 1962	1,555.89
Levy of 1961	285.43
Levy of 1959	38.23
Levy of 1957	<u>367.04</u>
	\$4,418.94

Inasmuch as the two year period provided by Law for redemptions from tax sales has expired on all of these unredeemed taxes, the Tax Collector should give tax deeds to the Town forthwith for all of the properties represented by these undischarged tax liens held by the Town.

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Sanbornton for their assistance during the course of the audit.

Yours very truly,

O. MAURICE OLESON, Director
Division of Municipal Accounting

TOWN of SANBORNTON

Police Department

Smelt Patrol: April 14, 1967 through May 15th, 1967.

Two men were on Patrol each night, with the Chief available at all times.

The Camp Patrol was carried out as usual with inspection of all camps once a week, during the winter months.

The Lower Bay Road patrolled for the Water Skiing Races and Ice Fishing.

Dogs were picked up and taken to the Humane Society—
5. There were two dogs picked up, and returned to their owners.

Patrolmen alerted and Policed 4 Fires during the year 1967.

Lost Person: A child roaming through the woods was reported to the Department, 4 Officers were alerted and through the use of the CB's the child was found unharmed and returned to her home.

All Roads were patrolled by the Department during the summer months, holidays, Motor Cycle Race Weekend.

Town Meeting; Primary and November Election Days were handled by the Chief.

All Band Concerts held in immediate area were policed by the Department.

21 Breaks and Vandalism cases were investigated with the help of the County Sheriff; Fingerprints were taken whenever possible.

4 Police Officers were on the scene of the Fillmore Air Crash 3rd of February, 1967 for 24 hours for security purposes.

I wish to express to the Citizens of Sanbornton how grateful the Police Department has been this past year for their support in having the Police Cruiser manned by the Chief installed with a Police Radio which is not only hooked up with some of our CB's but with the Sheriff Department. The time element is of great concern when in need of help and having the radio brings our more serious breaks, accidents and any emergencies to the proper authorities much more rapidly than depending on Private phones and CB's. Again this lowers the cost of Telephone Bills for the town.

The above summary by this department for the year 1967 has been handled to the best of my ability and to the best interest of our citizens in Sanbornton. My sincere thanks go to my officers for their efforts and interest shown whenever called upon; to the town officials and county officials for their fine support and cooperation that they have shown me.

Sincerely,

HARRY BROOKS,
Chief of Police, Sanbornton

Sanbornton Fire Department

For the first time in many years we are able to report no serious loss from fire in Sanbornton for the past year.

The Department responded to fifteen alarms—thirteen in Sanbornton and two Mutual Aid calls.

During the fall months a Basic Pump Course was conducted by the State Board of Education. Sixteen firemen completed this twenty-hour course.

One fact facing the voters of Sanbornton is that our present Fire Equipment is not adequate. In the very near future we must purchase a new Tank Truck. Our present truck is ten years old. Town valuation is increasing rapidly. As our equipment gets older our fire protection load gets heavier.

Our project of clearing the land west of the Fire Station, constructing a pond, and installing two dry hydrants has been completed. The hydrants are available every day in the year.

About two thousand dollars was raised for the Pond Project. When the Government share of the expense is returned to the town there should be enough money to erect a suitable fence surrounding the pond. The Pond and Picnic Area are under the jurisdiction of the Town Recreation Committee. Much credit for the financial success of the project goes to the Fund Raising Committee, namely Robert Beadle, Duncan Craig, Robert Gray, Warren Wilson, and Wayne Elliott.

We wish to thank the townspeople and all others who contributed time, money, and materials to make this worthwhile project a success.

The Department acknowledges the valuable assistance of the Lakes Region Mutual Fire Aid Association.

GEORGE S. CURRIER

Report of Forest Fire Warden and District Chief

The year of 1967 will go down in history as a wet year although the early spring was dry and windy. During this time, we had many fires, unnecessary fires caused by carelessness and disregard for the common-sense fire laws and regulations. This lack of responsibility on the part of a few people hurts everyone. Let's work together to prevent the start of those unnecessary fires by:

1. No burning between 9:00 A.M.-5:00 P.M. and then only with a permit from the Forest Fire Warden.
2. Take all debris and waste to the town dump.
3. Keep a clean, safe town dump.
4. Urge close supervision of children in regard to use of matches.
5. Exercise care with smoking material—use the ash-tray.

Report of the Planning Board

The growing demand for land by individuals and commercial developers throughout New Hampshire has been evident in Sanbornton. We are fortunate to have an established Zoning Ordinance and Subdivision Control Regulations to assure orderly growth and the maintenance of property values.

The Planning Board has completed work on a series of amendments to the Zoning Ordinance which will:

- (1) Establish Set-Backs from right of way line at 35 feet.
- (2) Require that Mobile Homes and/or Trailers brought into the town in the future meet Industry Code Standards relative to electrical, heating and plumbing systems.
- (3) Establish Industry recommended restrictions regarding operation of Mobile Home Parks.
- (4) Up-date definitions of Mobile Homes and Travel Trailers.
- (5) Establish several Commercial Districts and a Forest Conservation District in the town. The Commercial Districts to be in the Chapel area and North Sanbornton; the Forest Conservation District to be in the mountainous area in the northwest corner of the town and establishing for this area a minimum lot size of eight acres.

The Board has held one Public Hearing on the above proposals and plans several more before calling for an election.

The Board wishes to point out that new state law requires that changes in zoning ordinances be made only by ballot at either a regular or special election not by an article in the Town Warrant.

Mrs. Barbara Powers, Librarian

The past year has been a busy one at the library, serving both Sanbornton Central School children, and many adults. There have been many new and interesting books added to our collection for all patrons. The bookmobile from the State Library has made available many more titles.

Mrs. Powers completed an accredited course on Introduction to the Public Library (L-1 of Public Library Techniques Courses) at Plymouth. This was an Extension course taught by a State Librarian and carries with it credit toward certification.

Again, as members of the N.H. Statewide Library Development Program, the library received a grant of \$100, to be used for reference books. With this we purchased the World Book Encyclopedia.

Mr. Carl Hanson completed the painting of the ceiling.

The library has been open Wednesday evening, thus affording more opportunity to the townspeople to use the library. The hours are as follows:

Wednesday, 1-4 P.M. 7-9 P.M.

Thursday, 10 A.M. to 12 Noon

We express appreciation to our former trustee, Mrs. Eleanor Nudd who served from 1961-1967 for her work in cataloging, in bringing the collection up to date as much as possible. We also acknowledge her efforts with the children's reading program and her gift of many books from her own library.

We thank Mrs. Mildred Coombs and Mrs. Ellen Jesseman for their help with many of the chores on library days. To all those who helped the library in any way, we are grateful.

Civil Defense

Our main project for 1967 was to purchase and equip a Rescue and Service Truck. In the late summer an International Step Van was available through Surplus Properties at a cost of \$75.00.

The truck was purchased and the Firemen are cleaning, painting and preparing it for use. We hope to have it on the road by early spring.

Your Director has attended Civil Defense meetings in various parts of the state and also prepared Program Papers and Progress Reports for the town.

With this year's appropriation we hope to purchase equipment for the truck as it becomes available.

We are asking for an appropriation of \$200.00 to keep the town eligible to purchase Surplus Properties.

PRESERVE THIS REPORT

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance. It should be borne in mind that if copies are left at home there may not be a sufficient number at the hall to go around on town meeting day. This year, or any year, it is desirable for you to have a copy of the annual report as soon as issued. It is also important for you to preserve and bring it with you town meeting day.
